

**The St. Josaphat Basilica Foundation with the
Lincoln Village Business Association invite you to a
Business Improvement District (BID) Informational Meeting**

**Thursday, July 29th – 2 pm
Old Town Serbian Gourmet – 522 W. Lincoln Ave**

Please join us as we review the proposed Business Improvement District (BID) for the Basilica area of Lincoln Village in 2011.

The BID will help build a foundation for a safer, more attractive, and more competitive business district.

A BID can finance improvements to the street; provide grant money to property owners to acquire security cameras, new signs, and storefront improvements, and pay for a cleanup crew to improve the image of the business district.

The projects of the BID will be collectively funded by an increased assessment to each property's annual tax bill. We want to give you the opportunity to review a proposal for a selected assessment method. A proposed operating plan for the BID is posted on our website under the "BID Info" tab.

Representatives of the Lincoln Village Business Association and your fellow property owners will be on hand to answer your questions and get your input on how this BID should be run in the coming year.

Please contact the Lincoln Village Business Association with any questions, and we hope to see you at this meeting.
